

THE SEU-OHIO Dual Credit Academy

BUILDING CONFIDENCE THROUGH
CLEAR PATHWAYS TO COLLEGE

What is the Dual Credit Academy?

Southeastern University Ohio partners with TEL Education to construct and deliver online dual credit courses. Dual credit courses are designed to provide students with an intuitive and structured online experience. Highly qualified instructors provide student support as students engage in self-paced courses. The SEU-Ohio Dual Credit Academy, in partnership with TEL education, is an excellent opportunity for dual credit students to obtain valuable college experience at an affordable price.

There are four ways to participate in these fully online courses through The Dual Credit Academy at Southeastern University Ohio...

Individual Courses

A single dual credit course helps students gain confidence that they can succeed with college-level learning.

+1 Program

This course sequence creates a plan for students to knock out a full year's worth of college before they get their high school diploma.

Core Course Bundles

Our Core Four collection includes courses that are most likely to apply to a variety of degree programs. You can also create your own bundle.

Associate Degree

A complete associate degree is available for students to complete during high school.

What is Unique About our Dual Enrollment Program

- Flat rate of \$200 for a three hour credit course and \$268 for a four hour credit course with no additional fees or cost for books
- No ACT or SAT requirement. 9th and 10th graders can participate.
- 24-hour or less student admission. 48-hour or less student enrollment.
- 16-week semesters or flexible on-demand term options.
- No course minimums or course maximums.
- Weekly virtual office hours with the professor.
- 48-hour or less grading policy on all written assignments.
- Student coach assigned to track, mentor, and facilitate tutoring with the student.
- Site manager access that gives counselors access to real-time grades and student progress
- Account Manager assigned to the high school counselor in charge of dual credit. Account Managers communicate student progress on average 5-6 times a semester. Also, help with any other support needs.
- A dual credit growth professional will be assigned to high schools to help counselors increase dual credit awareness and enrollment. Provide collateral, webinars, etc to high school students and parents. We are also providing the same materials to 8th-grade parents and students so middle school students enter high school prepared to take courses and understand the benefits of dual credit.
